THE DOOR STORE Toronto, 1260 Castlefield Ave., 416-863-1590; thedorstore.ca. "Don't let the name fool you – there's a lot more here than doors! Owner Sam Mirshak travels the world to find distinctive pieces of architectural salvage, making each visit a new adventure, full of inspiration."

SOUTH HILL HOME Toronto, 200 Dupont St., 416-924-7224; southhillhome.com. "They carry Bolier furniture – a line I'm in love with. The pieces are perfectly transitional, with clean, classic lines wrapped up in an impeccable package. The collection works well in both modern and conventional homes."

W STUDIO 888-228-2467; Toronto, 146 Dupont St., 416-929-9290; wstudio.ca. "W has a top-notch selection of area rugs and the most knowledgeable staff. Creative director Alan Pourvakil is a master of colour and style. He's developed new designs that are destined to become heirlooms, not trendy throwaways."
